Location

The property is situated on Marches Road in the rural village of Warnham, approximately 2.5 miles north-west of Horsham, which provides a comprehensive range of amenities and mainline rail services. The site is well positioned for access to Crawley (approximately 8 miles to the north) and London Gatwick Airport (approximately 10 miles), making it particularly suitable for occupiers requiring good regional and national connectivity.

The surrounding area is predominantly rural, providing a quiet working environment, whilst remaining within convenient reach of Horsham and the wider road network, including access towards the A24 and A264, providing direct links to the M23 and M25 motorway network and the wider South East.

Description

Access is taken directly from Marches Road via a secure gated entrance to Maple Farm. The site offers a self-contained and secure commercial yard ideal for contractors, trade occupiers and small businesses requiring external storage and operational space. The rural setting offers a practical and discreet working environment, whilst remaining conveniently located for access to Horsham and surrounding areas.

The yard provides a level and usable surface with good vehicular access via another gated entrance to the yard itself. The site benefits from water and electric supply, with own meters.

There is substantial temporary portal frame building positioned to the rear of the yard that will shortly be removed by the existing tenant.

The yard is enclosed by mature trees and hedgerow boundaries, offering a good degree of screening and privacy. The surrounding land is agricultural, creating a quiet and private working environment.
